

3D STRATEGIC MANAGEMENT, INC SERVES AS THE OPERATOR OF THE ORLANDO MBDA BUSINESS CENTER

WHO

3D Strategic Management, Inc. is a full-service business development firm. Our team has over 140 combined years of experience in project management, supplier development, public relations, business focused trainings, government relations and youth entrepreneurship programs. We have successfully negotiated, implemented, and administered complex contracts and grants from public agencies, private foundations, and other funding sources.

WHERE

We are headquartered in Orlando, with a Rural Business Center in Milton (North Florida). Our current portfolio includes clients worldwide. Our service geography has no boundaries.

HOW

We generate documented client growth by:

- Corporate Supplier Diversity Development
- Business Coaching & Development
- Community and Public Relations Services
- Student Entrepreneur Education Development (SEED)
- Women Empowerment Wednesdays (Global Initiative)

WHY

We're committed to customizing business development readiness programs aimed at increasing small business success and sustainability.

WHO WE ARE

The U.S. Department of Commerce, Minority Business Development Agency (MBDA) is the only federal agency solely dedicated to the growth and global competitiveness of small business enterprises. MBDA was created by President Richard M. Nixon on March 5, 1969. MBDA invests in a national network of MBDA Business Centers, Specialty Centers, and Grantees. All programs provide customized business development and industry-focused services to provide greater access to capital, contracts and markets. To learn more about the MBDA, visit www.mbda.gov

The Orlando MBDA Business Center offers an array of holistic business development trainings, specialized individual consulting services, access to capital, targeted networking, contract sourcing, teaming and mentorship opportunities. These services are designed to increase profits and job growth, and expand brand footprints in local, national and global markets.

WHO WE SERVE

The Orlando MBDA Business Center serves Central and Northern Florida with office locations in Orlando and Milton. With strategic partners throughout Central and Northern Florida, we are able to efficiently serve all clients in our market area and beyond. The Orlando MBDA Business Center provides services to small business enterprises owned by socially or economically disadvantaged individuals with 51% or more ownership and control of the business.

* Must have been in business for at least 3 years and have a current annual revenue of \$500,000 or more to be eligible for services through the program.

OUR PROGRAMS

Boots2Business: A series of training programs focused on improving operational efficiencies; scaling, implementing and integrating new technology and tools, and adopting standard operating procedures (SOPs).

Virtual workshops and consultation topics will be available for business owners and key staff on:

1. Operational Management and Administrative Mastery
2. Business Augmentation, Automation, and Remote Management
3. Fundamentals of Growth Management
4. Financial Mastery

Power2Profits: A robust training by MBDA Business Center staff and leading industry experts in the financial sector.

All trainings are designed to:

1. Provide one-on-one technical assistance in our virtual Lending Center.
2. Build financial competency via tracking credits; money management; investing and cash flow management, access and securing financial capital.
3. Track profit from inception, into the program and each annual marker.
4. Provide semi-annual profit monitoring for SBEs.
5. Measure growth performance via increase in credit; loans; lines of credit, and other financial tools and indicators.

Connect2Contracts: Links financially sound and operationally savvy business owners to contracts by equipping them with the tools and mentors to be successful in the proposal and performance phases of the procurement process.

1. Connect certified minority business enterprises to suitable contracts
2. Equip businesses with the tools needed to be successful in the procurement, proposal and performance processes
3. Match businesses with a mentor (private or public sectors) in their specific industry

In FY19, MBDA helped businesses secure \$3.1 billion in contracts.
